

# Shifter pawl spacer

The plate keep the early model shifter pawl plungers in place.

**34461-72**  
**1972-1984**

The Iron Sportster trap door assembly holds the mainshaft, countershaft, and shifter mechanism.

The Iron Sportster shifter comes as the 34009-52 assembly.

**34461-72**

1972-1984

The late-model shifter carrier design uses these spacers in conjunction with flipping the pawl hooks over so they can use the same part for the left and right pawl function.
