

Shifter top hat

The parts book calls them "Roller, shifter finger". Top hat is simpler and better.

34168-52 (two)

These little rollers fit over the small protrusions on the shifter forks. They ride in the "cow paddy" shifter cam plate grooves.

The Iron Sportster trap door assembly holds the mainshaft, countershaft, and shifter mechanism.

Sportster 34168-52 shifter top hat. Each of the two shifter forks uses one.
