

djmoore62's 1959 police Sportster

This 1959 Sportster is an antique Cleveland Ohio emergency response vehicle.

The motor is stamped CMP (Cleveland Motor Police). This classic rare bike runs and is regularly ridden, but needs cosmetic restoration. It has the original wind driven siren, bags, and rack. It also has the original 3-piece mirrors, original

6-volt flashers, and original bullet lights. The motor and transmission was rebuilt in 2006. It has the original police helmet by Harley Davidson, original owners manual, original emergency flag with bag, and an original police area 5 sticker.
